#### OTHERS

Saliva and Perspiration Resistance Complies 64 LFGB B82.02-13 - B82.92-3-1

Certain Phthalates classified as hazardous

The undersigned company declares non-compliance with any other guidelines, rules, regulations, etc... that are not included in this list.

In addition, the aforementioned test results refer to the product exclusively as provided by Blue Sky Italy Srl, as it stands at the exit from our plant, and they cannot be considered valid if the material is used in conjunction with others or in production processes that can alter its characteristics as any treatment or further processing may affect compliance with the directives / regulations / standards applicable.

The statement concerns only our products and does not guarantee the conformity of the final articles made with the use of the products themselves.

It is noted that, as provided by Toys Directive, the manufacturer, the authorized representative, the importer or distributor selling toys in the market should assume the full responsibility for the legal requirements and must ensure compliance with Directive 2009 / 48 / EC and applicable national laws transposing the Directive.

Thank you for your attention.
